Announcement

We again extend a cordial invitation to our patrons, old and new, to be with us for this, the thirty-fourth, annual sale of the Interstate Shorthorn Breeders Association to be held in Sioux City.

The cattle for this sale have been carefully selected after personal inspection by your officers and directors from over 200 head that were listed and beyond all doubt are the best lot of cattle we ever had to offer. Our sale grows stronger each year in both numbers and quality. It may appear that we have too many cattle catalogued for a one day sale but by beginning a half hour earlier than usual and requesting the auctioneers to work fast, we feel they can be handled to the satisfaction of all consigners. To this end, we are requesting all consigners to refrain from taking up time for comments while leading their animals in the sale ring. Your cooperation will be much appreciated.

Our photographer ran out of film before finishing his work and was unable to get more at the time so many of the better animals in the sale are not pictured in the catalog.

JUDGING CONTEST

The judging contest will be held again this year, on Monday afternoon, March 10th, open to 4-H and FFA members who may be recommended by their County Agent or Agricultural Leader. \$200.00 offered in prizes of \$60.00, \$50.00, \$40.00, \$30.00 and \$20.00 respectively, winnings to apply on the purchase price of any heifers in this sale. One class of bulls and one class of heifers will be judged. The contest will be under the management of R. J. Coverdale of Spencer, Iowa, who may appoint such helpers as he may want.

GENERAL INFORMATION

As heretofore, the sale will be at the Horse and Mule Barns at the Sioux City Stock Yards. The cattle may be inspected Saturday or Sunday before the sale if desired. The judging will begin at 10:00 A.M. on Monday and the sale at 12:30 sharp on Tuesday, March 11th. At 6:30 Monday evening, the annual business meeting and banquet will be held at the Mayfair Hotel, to which every one interested in Shorthorns is cordially invited. This year, a charge of \$1.00 per ticket will be made to partially cover the cost incurred in purchasing the prize steer to provide the steaks for our banquet. James Bach will, as heretofore, be master of ceremonies and arrange the entertainment.

JUDGE—GILBERT ELKEN JR., of Mayville, North Dakota.

Mr. Elken, owner of the Eldak Farms and prominent Shorthorn herd at Mayville, North Dakota, has accepted our invitation to judge our cattle this year. He is making a trip to Scotland in the meantime but assures us he will be home in time for this appointment, **unless the boat sinks**. He expected to take pictures of some of the famous farms and Shorthorns while in the old country and we hope to prevail on him to show these pictures at our banquet. The prize money remains at \$892.00, same as last year, as shown in the preceeding classification. This liberal amount in prize money has been made possible through the cooperation of the American Shorthorn Breeders Association, the Sioux City Chamber of Commerce, and Kiwanis Club, and our Interstate Shorthorn Breeders Association.

AUCTIONEERS—J. E. Halsey, Des Moines, Iowa; Harry Dewar, Cherokee, Iowa.

PRESS REPRESENTATIVES—M. T. White, 604 North 40th Street, Omaha, Nebraska, representing Wallace's Farmer and Iowa Homestead; Mervyn Aegerter, 16 So. Locust Street, Aurora, Illinois, with the Shorthorn World, and J. L. Miller of the Omaha Daily Journal-Stockman, Omaha, Nebraska. Mail bids sent to these gentlemen, or to the Auctioneers, in care of the Mayfair Hotel, will be handled confidentially and conservatively, in the interests of the bidder, if unable to be present in person.

HOTEL HEADQUARTERS—The Mayfair in Sioux City.

Vice President.....H. Russell Held, Hinton, Iowa

Cash, except when arrangements for time has been granted by the consignor prior to the sale. Settlements to be made with Interstate Shorthorn Breeders' Association immediately following the sale, but it shall be understood that the said association assumes no liability, legal or otherwise, and that the guarantee and terms as published herein shall constitute a contract between the consignor and purchaser of each lot.

All stock at buyer's risk as soon as bid off but management will carry out buyers instructions in loading and shipping, as nearly as possible.

A Certificate of Registry with transfer to purchaser will be furnished free of charge with each lot. For calves at foot and unborn calves, signed applications to be furnished by consignor.

PREPAID FREIGHT AGREEMENT

The American Shorthorn Breeders Association will prepay the freight up to \$200.00 on any Car Load Lot of cattle bought in this sale to be shipped to any one point in the United States. Consolidate a shipment with your neighboring breeders. Ten lots or more will be considered a car load. Avail yourself of this opportunity to obtain free transportation to your farm.

GUARANTEE

All animals to be sold have been tested for T. B. and Bangs and Health certificates will be furnished enabling them to go into any state.

Bulls are guaranteed breeders if not allowed to run with herd when under 20 months of age. If a bull fails to breed he may be returned to seller in as good condition as when bought and if after three months trial he fails to breed, the animal will be replaced with one of equal value or money refunded. Cows with calves at foot are considered breeders. All other cows and heifers over 16 months old guaranteed breeders with the same retrieval privilege as bulls. All cases of non-breeders to be reported within 90 days. Return freight, when necessary, to be paid by buyers.

This prize Baby Beef was purchased by the Interstate Shorthorn Breeders Association at the Sioux City Baby Beef Show in September. Fed since then by Clausen Bros. of Spencer, Iowa.

IT'S THE LAST THING I WILL EVER DO but I will provide the steaks served at the Interstate Shorthorn Breeders Banquet at the Hotel Mayfair on Monday evening, March 10th, at 6:30. Everybody interested in Shorthorns cordially invited. Tickets this year a dollar each, obtainable from the officers and directors.

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*

The all-time high of 2,096 members joining the American Shorthorn Breeders' Association in 1946, followed by the all-time 5-year record for any beef breed of 8,962, now puts the Shorthorn Breeders' Association in the lead as the fastest growing beef breed association. In 10 years, annual registrations have

doubled and transfers have jumped 144 percent. Save 50% in recording and transfer fees by joining America's most popular beef-milk breed association. For complete information write to American Shorthorn Breeders Association, Dept. SC-2, Union Stock Yards, Chicago 9, Ill.

I rate this bull one of the best I ever raised. If you like them thick fleshed, deep, smooth and short legged and with an excellent bull head, this fellow might suit. Goldfinders Satisfaction is without a doubt the most promising herd bull prospect we ever offered at Sioux City. He is very rugged has a good head, is thick, deep, close coupled with a very good rear end. His dam is one of the best cows of the breed and an equally good producer. Having one daughter good enough to win her class at Chicago in 1943, and then selling near the top of the sale. Another was reserve champion at the Sioux Empire in 1946 and then selling near the top of that sale. Here is a chance to buy one of Goldfinder Champion's (the sire of champions) best sons.

Carnation 12th is a very breedy sort of a heifer. She is out of the same cow as the heifer Lowell Runkle of Everly, Iowa purchased from us in the 1945 Interstate sale. Who in turn, sold her first calf in the recent International sale for \$1025.00. She is out of a good dark red cow who is sired by the same sire as the dam of the 1946 International Champion female, Broadhooks Maid 20th.
